

## Volunteer Officer Report October 2018

Thomas Marshall – Marketing & Tourism School Rep

What has been worked on in the past month?

Having now been in post for approx. 4 weeks I have been able to gain some insight on what the general overriding opinion of students is within the School. I have also attended 3 SRG meetings, a TEF meeting, along with my initial SRG training. I have also met with my college officer and some of my fellow school reps.

Successes from the past month and any Reps Wins

Currently the Marketing and Tourism school has no pressing issues.

Caroline (Our Student Engagement Champion) has contacted me and mentioned of two events for reps and students they have planned. I believe going into November more info on this will become available.

Plans for next month

Whilst a few minor improvements have been raised overall there are no serious issues to report, I would envisage that by next month the recommended improvements have been action-ed. I also hope by next month to have an answer on whether completed from UG and PG students have now been uploaded to the library portal.
