

## Volunteer Officer Report March 2019

Ricarda Krieger – PGT Officer

What has been worked on in the past month?

This month Jasmine the PGR Officer and I have again held our monthly drop in for PG students. Further, we have planned a PG Quiz for the end of the month in order to give PG students across the university a chance to network with each other.

I have met with staff from the College of Social Sciences to help them plan a conference workshop around PG identity. I have also promoted the opportunity of getting involved in the project to other PG students of the College, giving them an opportunity to reflect on their PG experience and voice any issues they feel have room for improvement.

Further, I have met with the head of the business school to discuss an opportunity for PG students to get involved in a project surrounding full online master courses in the College of Business.

Successes from the past month and any Reps Wins

Getting the Quiz all set up to run on the 29th March.

Plans for next month

Holding the PG Quiz at the end of the month and further continuing our drop ins. Jasmine and I have also started to brain storm about how to support PG students over the summer and time when no classes are on. So we will be looking at organising a couple of events over that time as well, starting after Easter.
