

## UNIVERSITY OF LINCOLN STUDENTS' UNION

### Vice President International Report

#### **Diwali planning**

Diwali is happening on the 30th October in the Engine Shed, I am currently planning all the programmes with Hindu society as well as University chaplaincy, and we also invited our Vice Chancellor, Mayor of Lincoln to come to the celebration. Dancing society will also be attending and perform for the celebration.

Also, myself and ISA officer as well as a group of international students are practicing a Bollywood dance for a flash mob, it will be a good way to share Indian culture across the campus and increase the culture awareness about Diwali for both international and local students.

#### **ISA**

After the election in early October, we now have a full ISA committee, everyone on the committee are from different countries, and it will be a good team to represent students from different nationalities. ISA officer also have many amazing ideas for international students, I am really excited and look forward to working with him for this year.

#### **International buddy scheme**

There are more international students signing up for the scheme compare to my last report, we are now on the stage collecting the feedback forms from each pair of the international and local buddies for this month's task, from the feedback that I received so far, buddies are enjoying the activities and they already became good friend between each other.

#### **Residential with LIBS**

On the 20<sup>th</sup> October, I was invited by Lincoln international business school for a weekend residential with 70 international students on the MSc international business course, we went to Walesby activity centre and did a range of outdoor activities

include raft building, treasure hunt. Through different activities from the residential, I had the chance to know more international students and build the friendship with them.

### **Indoor climbing**

On the 24th October, we have organised an Indoor climbing trip for international students to the YMCA showroom. We had 9 students signed up, student expressed that it is a good opportunity to explore different sports.

### **Suggesting**

Recently we had a SUGgestion coming through in regards to providing dissertation hand in support for international student during September time when students are out of the country. I have feedbacked the concern from international students to the university.

### **Other activities**

I also took part in other activities alongside with other officers, we filmed a video for the defeat the meat hot dog challenge, I also took part in the activities wars and Support Lincoln for the Cathedral cup as well.
