

## Volunteer Officer Report March 2019

Rhys Davies – School of Social and Political Science Rep

What has been worked on in the past month?

This month has been relatively quiet, but with a few coursemate submissions which is great! We attended the Rep Forum in which the course reps and I gave some decent feedback. Also, I attended the pre-meet for the Subject Committee Meeting in which the agenda was discussed for the March meeting (and the last one of the year!) I have also been in contact with two students who are hoping to become the School Rep next year, and I have full faith in both of them to carry out the tasks and responsibilities of this position if they win.

Successes from the past month and any Reps Wins

Several submissions on coursemate which are being worked on as I type! Slowly but surely, the SocPol cohort are coming around to using this new and amazing system.

Plans for next month

Next month I will know who the new School Rep is! There will be a few committees to attend but it is looking like a relatively quiet month for SocPol...
