

University of Lincoln Students' Union Volunteer Officer Report

DATE: March 2018

NAME OF ROLE: School Rep for Marketing

What has been worked on in the past month:

This month myself and Rici co-chaired the UG subject committee which was successful. We discussed any problems we were facing/ module changes to which were all agreed upon. We also met with Tommy to discuss whether we could stick to having 2 reps for each department as opposed to 1 rep for marketing and tourism but agreed that, as it's the first year its being done, we'd see how it goes.

Successes from the past month and Rep Wins:

Successes include, Jacob Baldwin and Michael Belovol turning up for the UG subject committee and almost all PG reps turning up for the PG subject committee.

Plans for next month:

Next month I plan to write a handover document with Rici for the next rep for Marketing and Tourism and to ensure to resolve any problems now instead of them appearing next year.
