SCHOOL REP OF SCHOOL OF FINE AND PERFORMING ARTS

What has been worked on in the past month:

Within the past month I have focused on feedback forms and sheets of the fine and performing arts. After receiving many complaints from year 2 with mismarking's, we are working collectively to sort this situation. Due to the lateness of the school of fine and performing arts courses starting, I have only been around for one week.

Successes from the past month:

The amazing talent and hard work from the students this month. Kicking off with newveloutions, seeing such great talent and hard wok shinning through most courses of the school was incredible to be apart of and watch.

Plans for next month:

Continue the meetings with course reps and Karen Savage. Attend meetings within the colleges that need my assistance. Get all course reps throughout all colleges and continue to try and help the issues that arise and promote the students good work. Get all course reps trained and elected.
