

University of Lincoln Students' Union Volunteer Officer Report

DATE January 26th

NAME OF ROLE: People and Organisations rep

Over the last month it has been rather quiet because of Christmas. It is the start of a new term and so far, I have been helping to set up a new pizza social for first and second year. I am currently in discussions to resolve an issue on one of my courses that my reps have brought forward.

Looking on to next month I hope to continue working with and helping my reps and hopefully to meet with them and the programme leader before the subject committee in March.
