

University of Lincoln Students' Union Volunteer Officer Report

26/01/18

Charlotte Stone- Social and Political Sciences School Rep

What has been worked on in the past month:

There hasn't been much to do in terms of working with the school and going to meetings, due to the Christmas break. I have however met with the chair of subject committee and we discussed points for the next agenda, as well as points from the previous subject committee and if these have been followed up or not.

Successes from the past month:

I have gone through the subject committee agenda, and all of the previous points raised have been followed up and action taken.

Plans for next month:

The main plans are for the next subject committee to go ahead, and to have a successful School Action Day for social sciences. I will work to try and help the student engagement champion to organise this to make sure it runs smoothly.
